

Blueridge PAC Online System – Weekly E-mails & Directory

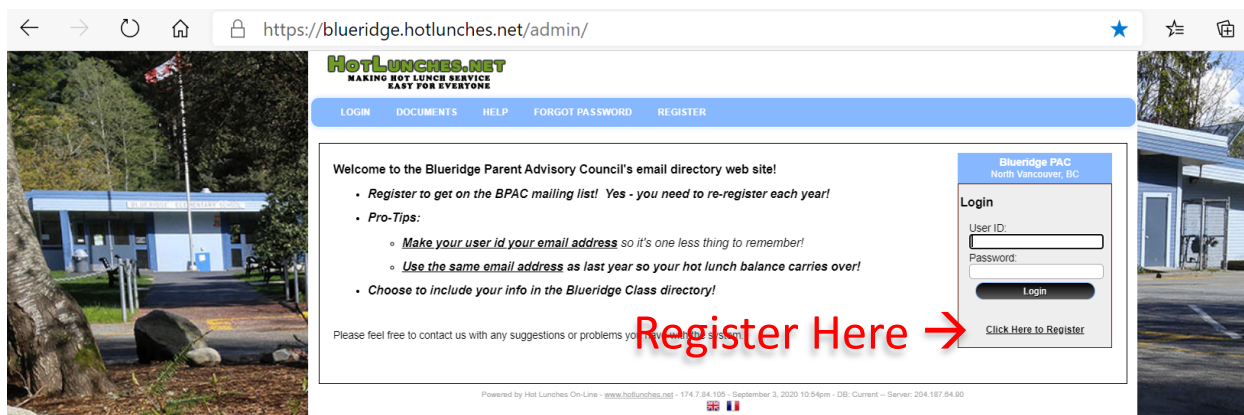

Hello Parents!

Welcome to the 2020-2021 school year at Blueridge Elementary. This year we are continuing to use <https://blueridge.hotlunches.net/> for parent bulletins, school directory contact information, and maybe hot lunch again some day...

Everyone must register again for a new school year in order to login. This is required in order for BPAC to have consent to contact parents. If you had a credit in the system for last year, it will be automatically applied forward as long as you register with the same email address. We recommend that you **set your userid as your email address** so it's one less thing to remember.

How to register:

- 1) Go to <https://blueridge.hotlunches.net/>
- 2) Use the 'click here to register' link in the login box and fill out the appropriate information

- 3) **AFTER Class lists have been updated**, you can add your student(s) by clicking on the 'Students' button after you have registered and logged in.

BPAC Email Distribution & School Directory

This year we will be using this hotlunches.net website to collect parent contact information for the all-school weekly BPAC email, class updates from your class reps, and the school directory (you may opt out of the directory but still get email updates). This is in addition to any hot lunch ordering that may happen again someday. So, **even though there is not hot lunch this fall, please register anyway!**

Help!

If you have any question regarding the website, or if you have difficulty registering, please contact BPACBlueridge@gmail.com or Cheryl Sauvé (frey_ca@hotmail.com)
