Message from BPAC

As the school year comes to an end, we would like to thank the many volunteers that contribute so much of their time to make our fundraisers and school activities such a success. Without their consistent help the work would not get done. From the class reps to the hot lunch volunteers, popcorn poppers, grade allocated fundraisers, EcoKids club, numerous coaches, and the parent volunteers on field trips, the volunteering has made a difference.

I would like to personally thank Georgina O'Flynn and Meagan Paris-Griffiths for taking on and producing the yearbook this year.

We are saying goodbye to one of our BPAC executives this year. Christy Campbell is "graduating out". Christy has been on the executive for several years and was most recently the DPAC Rep. We would like to thank Christy for her dedication to the school and community.

Some things to look for in September:

- BPAC open house on the first day of school.
- Welcome back BBQ - September 22
- The "pink consent form" will be moving to an online form in September. The form will be available on our website the first week of school. Once you know what class your child is in, simply go to the website and fill in the online form.

Thanks and have a great summer!

Thank you to these generous donors for their support of our school through BPAC's Parent Social event held this year. Our apologies for missing these donors in the April 2015 newsletter!

Tombola Jars

The BPAC would like to recognize the effort of the entire Blueridge community for the success of the Tombola Table this year. There was much creativity and spirited competition surrounding the project this year. It has left us with a profit of \$574.00 and some happy kids! Lots of fun!
